Curriculum Vita of Speaker and Lecture Outline

Dr Terrell F Pannkuk DDS MS

Dr Pannkuk obtained his DDS from the Georgetown University in 1983 and his Certificate and Master of Science degree in Endodontic from the Boston University in 1985. In addition, Terry is a Diplomate of the American Board of Endodontics.

Dr Pannkuk used to work in the same practice as Dr C Ruddle and Dr LS Buchanan in California but is now working in his own private practice limited to endodontics in Santa Barbara, California. He is the editor and publisher of *The Endodontic Report* and is on the scientific advisory panel of the Journal of Endodontics. He has published numerous articles on different aspects of endodontics.

In his lecture, Terry will address the issue of puzzles faced by dentists when embarking on endodontic treatment. Dr Pannkuk will go through the tools available to solve the endodontic puzzles and the best way to employ these tools. Clinical cases will be presented to illustrate solutions to the puzzles. Prognosis assessment, treatment options and other aspects of endodontics will be discussed. Finally, he will look to the future and consider challenges awaiting the provision of endodontic treatment.
